The text of the printed article contains the following errors and omissions.  
On the page 55 instead of [3-4] in the text read [3-4, 14] from the corrected list of references;  
On the page 55 instead of [1, 3] in the text read [3, 4] from the corrected list of references;  
On the page 56 instead of [8, 14] in the text read [1, 8] from the corrected list of references;  
On the page 57 instead of [1, 3] in the text read [3, 4] from the corrected list of references.

In addition, in the "References" section, there is an error. Following the "References" section should be published on pages 71-72 of the printed article.

REFERENCES

2010 Mathematics Subject Classification: 82D15, 82D35, 82D80.  
Key words and Phrases: Molecular dynamics, nanosecond laser ablation, explosive boiling, critical point.
A.A. Samokhin, V.I. Mazhukin and others.
